

## Realm War Map Patch Installation:

To install patched files, copy contents of custom folder into your custom folder and overwrite the existing BobsUI files there.

## Realm War Map Patch Notes:

Added Ruined Keeps and Towers icons.

Added different style of Towers for Agramon map.

Changed some control positions on Mid RealmWar Map

Change color of image used to show Labyrinth entrance (gold vs grey).

Changed color slightly of images for keeps and towers (made them darker).

Change flame used to show when Keep and Towers are under siege (bigger).

Changed colors of images used for battle areas (made them darker to match keeps/towers).
